**Press Release**

Sumida Corporation  
(Code No.6817 Tokyo Stock Exchange First Section)

May 6, 2003

**Announcement about the stock transfer of subsidiary company SRC Devices**

Sumida Corporation will transfer all of their stock in SRC Devices (Head Quarter: USA, President: Richard W. Carlyle) to the management of SRC Devices. They will do this through a management buyout. This is scheduled for June, 2003.

SRC Devices was 100% a subsidiary of Sumida, as of July, 2001. It produces reed relays, reed switches and surge arrestors. It undertook production, sales and research and development. As a part of the terms of this stock transfer, the HID business (Jensen Devices AB in Sweden) will be kept by Sumida Corporation.

**1. Reason**

The reason is due to the restructuring of business in USA in order to better focus management resources on the Sumida's core business.
